Jigsaw, the mindful approach to Health and Wellbeing (Personal and Social Education), is a whole-school teaching and learning programme that includes all of the statutory RSE outcomes.

The Jigsaw Programme is structured into 6 half-term units (Puzzles) delivered sequentially from beginning to end of the academic year. Each Puzzle has 6 lesson plans and all the teaching materials needed to deliver them, and a launch assembly with its original Jigsaw song.

The 6 Puzzles are:

Being Me in My World, Celebrating Difference, Dreams and Goals, Healthy Me, Relationships and Changing Me, as shown across the top of the grid.

The year group/age group is shown at the top of each section.

The numbers in the boxes refer to the specific lesson plan/s in each Jigsaw unit (Puzzle) that contribute to the RSE Code outcome in the second left-hand column.

The 3 strands of the RSE Code with all outcomes appear exactly as they are in the Code:

Relationships and Identity (RI)

Sexual Health and Wellbeing (SHWB)

Empowerment, Safety and Respect (ESR)

The code in the far-left hand column is short-hand for e.g.

1R11 refers to Phase 1 (ages 3-7), Relationships and identity, Outcome 1

2SHWB4 refers to Phase 2 (ages 7-11), Sexual Health and Wellbeing, Outcome 4

3ESR11 refers to Phase 3 (ages 11-16), Empowerment, Safety and Respect, Outcome 11

This mapping document shows Jigsaw's spiral approach to the Health and Wellbeing Curriculum across all 3 Phases and is available in Welsh and English.
